The poem is :

### Call of Mother

*The Earth has settled with a heap of snow,  
A frozen heart filled with numbness,  
Just like the children of her,  
Forgetting her slowly;  
But, she will smile soon,  
When we will move out to give love,  
Fill the world with pink and blue,  
Hold each other in hurt and boon,  
Close our eyes to see the moon,  
She sits there and waits,  
For the snow to melt,  
bring out the spring of happiness,  
where her children can love,  
Battle the haranguing,  
save the flower again.*
