## ACTIVITIES OF THE MONTH

### ● YELLOW DAY (4TH SEP 2019)

Yellow Day celebration was done. Cartoon characters were the theme for the Yellow Day. Best two well dressed children in yellow were given gifts.

### ● TEACHERS DAY (5th SEP 2019)

Teachers' Day Celebration was on 5/9/19. STD VIII students took the class of pre-primary section. They were given gifts as a token of appreciation.

### ● VEHICLE DAY (7<sup>TH</sup> SEP 2019)

Vehicles' Day was conducted in the following ways:

1. The exhibit of different types of transport was exhibited in the activity area.
2. Different types of vehicle cutouts were displayed in the activity area.
3. Children were explained about the uses of transport, different types of transport, traffic signal and safety rules while walking on the road.
4. The children with best exhibit were given gifts.

5. Children spoke few lines on the vehicles they came dressed as.
6. Children were told about the numbers to be dialed in emergency.

● **DIFFERENT CLASS ACTIVITIES WERE AS FOLLOWS:**

● **ONAM CELEBRATION 10/9/2019**

Onam celebration was held on 10th September 2019. Students and teachers made Rangoli with fresh flowers. Onam related Charts were displayed. Story of Onam was narrated to the children in the class.

- **STORY TELLING- THE LION AND THE MOUSE**

The story of the Lion and the mouse was narrated using puppets. Children rendered the story along with the teacher. Teachers narrated the story through voice modulation. Teachers used props relating the story.

- **CAMPUS VISIT –LIBRARY**

As a part of campus visit the children were taken to the library. They were briefed about the rules and regulations of the library, different books available, globe, maps etc in the library.

- **SCIENCE EXPERIMENT – AIR NEEDS COMBUSTION, FLOAT AND SINK**

It is always believed that children learn concepts faster through visualization. Some of the concepts are taught to children by experiment method. The concept of Air needs combustion was taught to children by using candle and glass. The concept of float and sink were taught to children using concrete objects like pen, key chalk, paper boat etc

- **CRAFT**

To develop the fine motor skills and those children learn to form different objects by folding marble paper the origami activity are carried out in the class. The origami of puppy face was made by the children.

## ● ASSEMBLY

Assembly is conducted regularly by all sections of pre-primary.

The following topics were covered during the assembly:

1. Prayers, general topics like name of the In charge, name of the School, Days of the week, months of the year, name of the Country, state and city.
2. Information on celebrations using books, flash cards, charts, Stories, songs
3. Introduction of Yellow colour using books and rhymes
4. Good manners to be followed were taught to the children.
5. Different stories and songs related to Onam related stories were narrated in the class

## ● SMART CLASS

Nursery used smart class method for the introduction of different vehicles, stories, teaching rhymes and monthly syllabus.

## ● PLAY TIME

- **EXTRA ACTIVITIES OF NURSERY CLASS**

Exploring their imagination to make new things

Pouring grains makes their concentration strong

- **FIRST TERM REVISION TEST**
