

- **Activities of Primary Section**

- **Talent Hunt**

We started the year with a talent hunt. To bring out the latent talent in the children a talent Search was organized for students of Std. V, VI and VII. Student showed their skills in singing, drawing, mono acting, skit, balancing acts & in playing musical instruments.

- **Memory Test**

To test the observation and recalling power of the students a memory test was held for students of Std. II and III in the month of June.

➤ **Literary Activities**

To give a boost to the literary skills of children various competitions were held.

For students of Std. I, II and III. Pick and speak, where students were asked to speak on various objects shown to them. For Std. IV story telling competition was held.

For students of Std. V, VI, VII Elocution competition was held in the month of July. It was great to see some of the Speakers speak with great confidence.

➤ **Rakhi Making competition**

Making Rakhis, children were made aware of the tradition of making rakhi by organizing a Rakhi – Making competition for students of Std.-IV and V in the month of July. Some of the Rakhis were comparable to the market ones.

➤ **Drawing Competition**

Like every year Navneet India Ltd.is organizing an All India Navneet drawing competition 2012. The school level competition was held for Std. I to VII on 31-7-12. The selected drawings will be sent for the state level competition.

➤ Quiz Competition

The general awareness of the students in various disciplines and mental ability were put to test in the Quiz Competition organized by Vodafone for students of Std. VI to IX on 25th Aug 2012.
